FINĒJAS UAB

INTEGRATED MANAGEMENT SYSTEM OF QUALITY, ENVIRONMENTAL-PROTECTION, OCCUPATIONAL SAFETY AND HEALTH OF EMPLOYEES

POLICY

Constantly developing management system by matching legal requirements and other contracted commitments, providing transport and freight forwarding services, the company declares:

- To provide top quality freight transport and forwarding services;
- To ensure load security;
- To be a reliable partner matching customer needs;
- To increase added value for customers by developing service scope, availability and accessibility;
- To reduce negative environmental impacts of the company (emission reduction, fleet renewal);
- To ensure safe working environment and safety on the road.
